6:30p *** Final dinner out as a group?

Community Building

Despite the fact that the main conference is being televised from New Mexico, we are committed to creating a community of our conference goers here in Kansas City.

We will use break times to invite dialogue and provide discussion topics stemming from the presentations, Rohr's book and also his study guide.

We look forward to welcoming you and getting to know you during this time!

Book Study Guide

Rohr's book has a Study Guide PDF that you can view online:
http://universalchrist.cac.org/wp-content/uploads/2019/02/UC-web-guide-NK-vg.pdf
